BRECKINRIDGE IS DEAD!

At forty-five minutes past five o'clock vesterday afternoon, the great spirit of Kentucky's greatest son passed from earth. For a week his death had been expected every moment. He was full the administration of national affairs Might-have-been brooded over all. It hand, and he was heard to say, "Why ly aware of his critical condition. He shall be conducted within the bounds knew that all hope of his recovery had fled the breasts of his physicians and the members of his family. Yet he to build up our own State. We intend lars. It was visible in the rumpling of her was again heard to say, "You know was cheerful and content, perfectly re- to make Kentucky an inviting field for their hair. Every cough sounded like I cannot bear to see you here!" and as signed to the Master's will. At three the immigrant. We are indifferent siclock he began to sink rapidly. He about the nationality as well as the reretained his consciousness up to within ligious and political creeds of those who nigger named Neal, who attempted to against the lady's breast, fired. Shriekhalf an hour of the supreme moment. He died as calmly as an infant falling to to build up instead of destroying the summarily squelched by the chairman instantly turned himself about, threw them do it. sleeponits mother's breast. His knight- prosperity of the State. We have no with the information that the commit- his head back; and discharged the weaply soul evacuated its fortress of flesh room or use for political adventurers tee was coming. with erect crest, as a soldier who honor- from the North and East, as we have ably capitulates to an irrisistible torce, surrenders his trust, and marches out of the citadel he was compelled to aban-war, employing their time in commit-off first. Then the nominations were that the bullet intended for her heart don, but earries with him into cap- ting to memory the epitaphs, and breath- exploded. They were as follows: tivity the proud consciousness that he ing charnel smells as though they were Governor-John M. Harlan, of Jefferson. did all of his duty before he lowered delicious perfumes, are very few with Lt. Governor-Robert Boyd, of Laurel. his colors. Although he had lived a us, and are as impotent and harmless Attorney General-W. C. Goodloe, of Fa-So ended the tragedy. They examined grand life, yet nothing in it was com- no longer talk war, speak war, nor vote narable to the majestic grandeur of his war. With us the past is past, and there leaving it. A hero on the foughten is not an ex-Confederate in Kentucky field, he had many a time looked sud- who possesses sense enough to crawl den death in the face with unsinking out of the creek when he falls in, who eve and unblanched cheek. Yesterday evening, as trustingly as a little child, with a smile wreathing his lips, he placed his hand into that of his -and all looking to the future devel-Saviour, and passed unfalteringly and opment and prosperity of our native unhesitatingly into the dark waters of State. We have neither the time nor the River of Death. Oh! how that act of Christian faith and trust became the life it ended. God grant that we all may be enabled to follow the exam-ined shade it was. The late State conple of the grand Kentuckian when we vention laid it most effectually. The shall be summoned to meet him "over

JOHN BRECKINRIDGE is dead, and the heart of Kentucky is desolate!

JAMES B. McCREARY, the gentleman fated to occupy the gubernatorial chair town took a Hartford girl out riding sober, virtuous. When deserved, what town he seized one of her hands and beloftier eulogy could be pronounced up- gan squeezing it, when he was brought on any man? When wisdom is his men- up with a round turn by her exclaimtor, honesty his guide, sobriety his rule of ing: "Let go that hand, Mister! I don't conduct, and virtue his practice, man want any of your Beaver Dam foolishneeds no adventitious aids to prosper ness around me!" him in his undertakings. He is lifted by the faultlessness of his character keep loving watch and ward over it .-And when the Democratic party unites with heaven to do him honor, Johnny HARLAN may as well undertake to pull defeat him.

THE Paris Tene Kentuckian maively remarks that the constant abuse of the newspapers was the cause of the "brilday the Kentuckian makes his "success' Rome." visible to the naked eye.

over the new-made garden beds.

The Rochester Earning Express, cer-

claims to the gubernatorial nomination of the storm with their inky arms. We hold it to be absolutely essential to the Confederate soldiers who were not suf- called the mourners to order in a sepul- ed engaged. Nelson had expected to goods clerk wrestled with the word "hazresult in of the liberties of the citizens, that ficiently whipped. He is not yet satistheir rights, dignity and equality, as the most field with the manuer in which the resumplete and reliable administration of their own domestic concerns, and the surest bulwarks bellion panned out. He made fervidsegainst anti-republican tendencies. Every ly inflammatory appeals to the baser man. The melancholy gathering listlessnothing to any one about his disappointpassions of those who actively particito exercise a power not delegated to it in the
Constitution, or to exercise a delegated power
nated in the war on the Constitution, or to exercise a delegated power
nated in the war on the Constitution. any manner not therein prescribed, is an act pated in the war on the Confederate attempt to disper the apachy that square mountains of usurpation, demanding the instant and unside, as well as those who found it like a nightmare toad upon a glutton's young people of Fergus Falls in a valor on a flea-bitten mule to earn a ten doloutsified condemnation of a people jealous of heir liberties. And we ho'd that any uncon- safer and more comfortable to contrib- stomach," took his seat as chief mourn- cant building of which NELSON was part lar fee. ute their sympathy to the cause of the er "in silence and in tears." ex ent or under any pretense whatever should South. He was indeed the Last of the be at once condemned by all classes of every Rousings The Last of the Bourbonism in Kentucky.

> to all matters and questions that directly concern them. While they will ever be found a unit in opposition to Federal interference in the domestic concerns prescribed by the Federal constitution; their more important work is to be done as the ghosts of the slain. Our people would recall it. In our party councils ex-Confederate and ex-Federal meet on precisely the same ground, all their feelings and aspirations being identical the inclination to engage in wranglings about the late war. We had only the ghost of the Bourbon element amongst us-and an exceedingly dim and ill-dedefeat of WILLIAMS was its death-knell. The nomination of progressive, liberalhearted, wise-brained McCreary was its coffin. Its funeral will occur on the first Monday in next August.
